NOT NEEDED YET.

A taxpayer writes the APPEAL suggesting the formation of a Citizens Defense Association. We think it would be a bad move at present.

The state of affairs pointed out by the APPEAL can easily be remedied by the proper officials in the courts. A citizens association is out of place until all other legal means are exhausted.

When the District Attorney, the Grand Jury and the courts refuse to enforce the laws, then it will be time enough to proclaim to the world that Ormsby county cannot enforce the law. It is to be sincerely hoped that no such unfortunate crisis will ever be reached.

Nevada has three votes in the Electoral College, New York 36. When the Presidential election is thrown into the House, Nevada will be equal to New York, each State having one vote. It would seem rather good to have the Sagebrush State for once on a level with the Empire State, the stronghold of the gold bugs.

A TAX-DODGING SCHEME.

How Storey County Skinflints Utilized the Widow's Exemption Act.

When in Virginia City attending the Grand Lodge of Odd Fellows, a very pretty little scheme for dodging taxation, practiced by several of the rich and unscrupulous residents of Storey County, was revealed to the editor of this paper by one who knew whereof he spoke. It is a well-known fact that a good deal of the outside property, such as dwelling houses, in Virginia City is owned by two or three capitalists, one of whom is a lawyer not famous for his scrupulous sense of honesty, especially if the ducates can be made to fall into his itching palm.

These men for several years have beaten the City of Virginia, Storey county and the State of Nevada out of thousands of dollars of revenue by working what we will call the "widow scheme." As every widow in the State escapes taxation on her property to the extent of \$1000, these tax-dodgers hunt up the widows in Storey county who own no property and place valuable property in their hands, have it assessed in their names and by so doing escape taxation on it to the extent of \$1000 on every piece of property so placed.

Our informant told us that thousands of dollars' worth of property escaped taxation every year in Storey county by means of this scheme.

The State, county and city are robbed of their revenue every year by men who reckon their wealth by hundreds of thousands and millions.

The attention of the Assessor and Board of County Commissioners of Storey county is called to this matter in the hope that they will investigate it and place this property on the assessment roll. It might be well also for the State Board of Assessors to look into it, as the State is robbed of its revenue by this scheme.—Elko Independent.

Joseph Baggett the Attorney in the Hale & Norcross suit, and M. W. Fox were in the city yesterday on legal business, and consulting with Wm. Woodburn. One of the suits comes up in Virginia City today.

Chas. Willard and Joseph Bard were convicted of being drunk and disorderly in Recorder Hawthorne's Court yesterday morning and fined \$20 or ten days in jail. They will work on the streets.

Robert Logan says there is one enough in the Como range to run the State for many years after Virginia City goes in.

Pasturage.

On the Duffy and Kirman ranches which contain over 700 acres, being the largest body of pasture land in Ormsby county. As the waters from Clear Creek flume, Ash Canyon and Lake View flow through the property it is the best watered. From the extended range it is eminently fitted for stock cattle and horses. Two bulls, a Holstein and a Jersey, are kept for the service of stock. A limited number of milch cows will be driven from and returned to the city daily. Season commences April 15th. Terms reasonable.
